Ref: Martin Buckley.

I have known Martin since he joined the Outbound Telesales department in June 2008 and have had the pleasure to manage him since September 2011.

Martin is a key team member who is liked by his own and the wider teams on the floor. He consistently performs to an acceptable level. Taking on and giving feedback constructively, sharing best practice with his work colleagues. He is very driven by his performance and has the ability to self analyse his own results to deliver the best that he can.

In the 4 years that I have known Martin he has maintained a fantastic level of attendance to work, turning up to work and ready to start his role on time daily.

Martin has been a pleasure to work with over the years and his personality draws people into him. He is very hard working and dedicated to any job role he is asked to deliver.

If you were to ask me if I would employ Martin personally then the answer would be Yes without having to think even once. He would be a great asset to your business.

Should you need any further information please email me on the above Hotmail account and I will get back to you forth-with.

Best Regards,

Mark Symonds,  
Outbound Telesales Team manager.
